Mr. Gardner Cowles

[Redacted]

Dear Gardner,

Thanks for sending me the advance tear sheets of the article, "How the Politburo Thinks." This is, indeed, a valuable commentary, and the quotations from Lenin and Stalin, "Principles of Advance" are particularly pertinent.

Please give my affectionate good wishes to Fleur. When our bridegroom, Bill Jackson, returns, I am going to try to slip away for about ten days and get a rest.

Sincerely,
